1.3 Each Group Leader heads a subcommittee who handle the placement of each Program in their respective Faculty. All official matters pertaining to ITP are handled by members of the Joint Industrial Training Committee for FET and FOE (henceforth referred to as 'The Committee').

1.4 The pre-requisite of ITP is that the student achieves the following minimum number of credit hours after the release of results of **Trimester Oct/Nov 2025**.

**All Engineering programs: 78 credit hours**

1.5 The credit hours counted include credit transfer and pass/fail subjects, but only subjects which the student has passed will be counted.

1.6 There are five assessment components: visiting lecturer's evaluation, employer's evaluation, log book, ITP written report and presentation in Faculty. Student must pass all components separately in order to pass ITP. The passing mark for each component is 50% of the total mark for that particular component.

1.7 Students may not register any other subjects during ITP.

### 2 Registration and Activation of ITP Account

2.1 All students who wish to do ITP must register and activate an account in ITP webpage starting **9 February 2026**.

Confirmation is preferably in black and white (email, official letter etc).

- 4.2 Student who is accepted by a company usually receives an official offer letter. Please make a photocopy of the offer letter that student has decided to accept. After that, submit to the corresponding GL or AGL who then decide on the suitability of the company. Due date of submitting offer letter: **12 June 2026**.

- 5.2 If a student is placed at a company which has decided to give to the students a fixed allowance or none, no further negotiation on allowance with the company is allowed. If a student is found to have demanded extra allowance after he /she has been placed at the company, it may result in him/her failing the Industrial Training.

After the closing, registration process may get complicated due to reasons like student is not in the campus; student has no Internet access, etc.
